Frequently asked questions

Don't find the anwser to your question?
Contact us by clicking here.

How often are payouts made ?

You'll receive your payment automatically on the 15th of each month. You need to earn a minimum of 100€/$ in earned commissions to get paid, and the payment process may take a few days, so please allow 3-5 days for the funds to appear in your account. Payment is made at the beginning of every month.

How to track the referred signup?

You can check your referrals by logging into your affiliate account. If you've correctly used your unique referral link, the traffic and affiliate sales dashboard will be accurate.

Does the discount code track affiliates even if they don't use the affiliate link?

Yes, absolutely. If a customer purchases a subscription using your promo code without going through your affiliate link, the sale will be credited to your affiliate account just as if they had used your affiliate link. So, you can promote Trendtrack on your videos and tell your audience to subscribe using your discount code to get affiliate sales.

Can I advertise using my affiliate link?

Paid ads are not allowed. If you use paid advertising, your commissions will not be paid. We conduct regular checks and may ask you to provide proof of the methods you used to generate sales if there is any doubt.

How does link tracking work?

Cookies and tracking codes monitor your referrals for 30 days.Each time someone clicks your link or uses your code, the 30-day tracking is refreshed. Even if they leave and come

Any other questions?

back later without clicking again, you still get the credit.

If you have any more questions, you can ask Hugo by email at contact@trendtrack.io.
